PARTICIPATE IN THE CREATION  
OF OUR NEWSLETTERS

Program code: **BNB01**

**Tuesdays**  
9.00am - 3.00pm

**3 McAuley Place, Waitara**

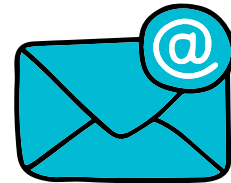

**\$5/session**  
**+ NDIS funding**

Do you have an interest in stories, interviewing and reporting? Or an interest in photography, design and computer skills?

Our Bits & Bytes program is responsible for the creation of our centre's newsletter. You will get involved in content creation, travelling to different locations, and sourcing stories, interviewing and reporting as well as capturing images.

Clients are then supported to compile their stories into a newsletter using Microsoft Office programs and distribute via email.
