

Fridays
9.00am - 3.00pm

1A Clarke Road, Waitara

NDIS funding

Our Cafe on Clarke provides opportunities for clients to develop general barista skills and customer service experience in a cafe environment. With guidance and training from staff you will greet customers and take orders, prepare hot and cold beverages, prepare basic cafe food, and deliver customer service in a cafe setting.

Cafe on Clarke allows clients to partake in all tasks related to running a cafe including set up, pack down and stocktake. Clients are encouraged to build on their communication and computer skills through point of sale activities and customer service.
