

COMMUNITY GARDENING PROGRAM

WANT TO LEARN HOW TO GROW YOUR OWN PRODUCE?

Program code: **CG01**

Tuesdays
9.00am - 3.00pm

3 McAuley Place, Waitara

\$5/session
+ NDIS funding

Topics & Outcomes:

RESOURCE & EQUIPMENT USE

TEAMWORK

UNDERSTANDING THE SEASONS

TYPES OF SEEDS & PLANTS

SEASONAL PLANTING

COMPOSTING

WORM FARMING

PLANTING & TRANSPLANTING SEEDS

VEGETABLE & CITRUS GARDENS

WEEDING & MAINTENANCE

COMMUNITY INVOLVEMENT

This program in partnership with the Hornsby Community Garden supports you to be an active volunteer of the garden.

Clients are supported to maintain the site, grow produce and experiment with planting and Community Garden Managers are available to provide assistance and education.

Complimentary work may be carried out in our centres such as the growing of seedlings, pre-composting etc.
