ABOUT US

Serving in justice & love

We are the social care and support agency of the Catholic Church in the Diocese of Broken Bay.

We assist children, young people and adults to live more enriched lives. We provide quality services that are tailored to your needs, taking into account your social and cultural background.

Belonging to the larger network of Catholic Social Services Australia (CSSA), we provide services to 26,000+ children, young people, individuals and families on the NSW Central Coast, Northern Sydney and the Northern Beaches, and have been doing so since 1987. We deliver around \$38 million of care annually and provide services to the entire community.

OUR VISION

We strive for a world where people are safe, happy, well and connected with each other in inclusive communities.

OUR MISSION

Walking alongside people to find and build solutions to their needs, we deliver evidence-based services with commitment, regardless of the difficulties faced. We bring a long history of service and faith, the resources of dedicated staff, volunteers and partners, a willingness to go beyond essential care, and persistence in supporting justice and wellbeing for all.
