

PHOTOGRAPHY AT BROOKVALE

Wednesdays
9.00am – 3.00pm

Brookvale Disability Futures
Unit 9B/44 Wattle Road

\$5.00
+ NDIS funding

ABOUT THE PROGRAM:

Your day will start at Brookvale where you will meet up and discuss your topic and what techniques you will be learning. Students then head out and learn how to put different photography skills into practice. You will learn how to edit and what techniques are best suited to different environments.

Students explore their creativity to discover an individual style and flair to their photography. Each month you will focus on two techniques and different subjects, with a body of work to showcase after 6 months.

TECHNIQUES YOU WILL LEARN:

- Capturing an image in motion
- Using lights and shadows
- Portraiture photography
- Landscapes
