

Mondays
9.00am - 3.00pm

3 McAuley Place, Waitara

NDIS funding

This program is perfect for clients wanting to explore their musical ability and interests at their own pace.

Group sessions will explore different types of instruments and their sounds. Clients will learn about cultural sounds, rhythm and how to care for instruments.

You will have the option to work on your own individual project, learning how to use technology to record music and distort sounds using digital technology.

RECORDING STUDIO

GET INVOLVED IN THE PROCESS OF MUSIC MAKING
