CatholicCare is a registered provider of Support Coordination for the NDIS. We will work with you and support you to get the most out of your plan and help you understand how your plan works.

Our team of experienced Support Coordinators have extensive knowledge of the community and will be your trusted NDIS advisor for any questions about your plan. They will build and enhance your ability to direct and manage your own services. They will help you coordinate your supports and maximise your plan towards achieving your goals and living your best life.
