SUPPORT COORDINATION

CatholicCare is a registered provider of support coordination for the NDIS.

CatholicCare
Diocese of Broken Bay

We will work with you and support you to get the most out of your plan and help you understand how your plan works.

- We assist you to find the right services for your supports and connect you to the service of your choice
- We link you to community and mainstream services
- We support you to implement your plan and achieve your goals
- We help resolve issues if they arise.

Our team of experienced Coordinators have extensive knowledge and will be your NDIS contact person for any questions about your plan. They will build and enhance your ability to direct and manage your own services. They will help you coordinate your supports and maximise your plan towards achieving your goals and living your best life.
